

Requests to visitors

- If you have a fever (37.5°C / 99.5°F or higher), cough or other cold symptoms, please refrain from visiting.
- Those who do not wear a mask may be denied entry. (When the temperature and humidity are high, it is possible to remove the mask based on the heat stroke prevention actions of the Ministry of the Environment and the Ministry of Health, Labor and Welfare.)
- Please do not visit the Garden in large groups.
- During busy hours, admission may be restricted to avoid crowding.
- A hand sanitizer will be installed, so please disinfect your hands when entering or leaving the Garden.
- Please refrain from talking in a loud voice to prevent the spread of saliva droplets.
- When you line up at the entrance or walk in the Garden, please keep social distance, about 2 meters away from other visitors.
- When entering the Forest Science Museum, please measure your body temperature and fill in your contact information.

※Personal information will be used for inquiries from the public health center in order to identify the infection route when a new corona-infected person occurs. It is not used for any other purpose. Personal information will be properly deleted after a certain period of time.
